SPEED HUMP APPLICATION

City of El Paso, Texas

(Complete and submit to your CPO or PAR Officer)

Neighborhood Watch Program block located on Michelangelo Dr. & Bach Way
between 1400 and 1464

Block Captain's Name Suizette M. Zubia

In accordance with City of El Paso Guidelines, our Neighborhood Watch requests that the City install a speed hump on our block. I certify that I have coordinated with each household on our block, whether or not participating in our Program, and 80% or better specifically endorse such installation. We understand that the decision whether or not to install a speed hump is a discretionary decision made in accordance with any established criteria and the applicable engineering standards and the availability of funding. The decision by City staff to reject an application or to make a determination that a speed hump should not be installed at a particular location is final. I further confirm that the signatures below, to include my own, are valid and document 99 % support (33 households of 34 total households).
